GLOF ALERT-1

For Gilgit Baltistan and Chitral

Issue Date: 02 August, 2017

Issue Time: 10:30 AM

Due to persistent heat wave conditions in Gilgit-Baltistan and Chitral, the temperatures are likely to increase by more than 5°C from normal, which may continue for next 3-4 days. Melt rate will enhance due to high temperatures and expected localized heavy downpour which may trigger GLOF events in Gilgit-Baltistan and Chitral areas. People residing along the water ways must remain vigilant during the period.

Local communities are advised to remain alert and concerned authorities to take precautionary measures.

M. Akram Anjum  
Chief Meteorologist
